WORKING WITH US

At Piecebox outside catering is a key part of our business. As well as our lovely cafe we offer a great delivery service too. If you can't come to us, we'll come to you!

All of our catering is freshly prepared each day in our new, custom-built facility. In order to guarantee a quality product and service we work to a limited capacity each day.

Please give us as much notice as possible to avoid disappointment. When time is short please call to discuss what you need and we shall do everything we can to help.

The menu suggestions in this booklet are designed to give a flavour of what we offer. We will also be delighted to come up with tailor-made buffet menus to suit your tastes and budget.
