DRINKS

Bon Accord - fabulous memories from my childhood of the Bon Accord lorry's weekly delivery to my home. Today's drinks are fabulously tasty and naturally sweetened, in recyclable glass bottles and a great addition of another local business to our Menu.

Bellfield Brewery's Lawless Village Gluten Free IPA, brewed in Edinburgh this Gluten Free IPA is the perfect compliment to our fantastic range of gluten free food and cakes.

Lawless Village IPA - 4.5% ABV. Named after our neighbourhood of Portobello. A copper coloured, aromatic beer brewed as a traditional American IPA made with pale and crystal malts and Cascade and Centennial American hops for a modern, citrusy finish. **UK Winner for Speciality Beers in the World Beer Awards and Finalist in the 2019 Scottish Beer Awards for Best IPA. Available in 330ml bottles.

Born in the Borders, another relatively new local craft beer manufacturer, we're delighted to be stocking their Foxy Blonde and Game Bird beers.

Thistly Cross Whisky Cider, having lived in Dunbar for many years, this was the obvious cider choice for Piecebox, reflecting all that is good about Scottish craft cider.

Selkirk Distillers, producing Reiver Gin and Bannock Gin is a young, growing business and Piecebox is delighted to be associated with them and we are also doing Off Sales of both bottles @ £36.00 per bottle for Reiver and £38.00 per bottle of Bannock Gin. Reiver Gin is the base of our Signature Cocktail.

We are proud of our link with local businesses for our food.

Clark Brothers, Fishmonger's of Fisherrow, Musselburgh are the suppliers of our kippers. My father in law is a retired Fisherman from Fisherrow, our family links go back generations and we're extremely proud to be working together.

Ramsay of Carlisle provide us with their quality butcher meat, with its distinctive tastes.
